About Our Law Firm

Lloyd Kieser Incorporated was found in 1998 with an aim to provide exceptional legal care. Lloyd Kieser Incorporated has emerged as a leading specialist law firm on the East Rand.

Our expertise has evolved into specific legal areas which today cover a broad area of practice. The number of individual clients and corporate companies we represent might have grown over the past 20 years, but the firm's ethos has remained the same.

“High standards of client responsiveness and unwavering service will ensure our firm's future.”

OUR SERVICES

DECEASED ESTATES AND ESTATE PLANNING:

Proper estate planning is essential to ensure that you make sufficient provision during your lifetime for purposes of taking care of your loved ones after your passing.

A crucial part of estate planning is the drafting and execution of a valid Last Will and Testament, which must be tailored to align with your own circumstances and your own financial position in order to give effect to your wishes and to ensure that your family is properly looked after even if you are no longer there.

We assist our clients throughout this difficult, but important process by the drafting of a new Last Will and Testament, updating or amending an existing Last Will and Testament should your circumstance change, as well as the drafting and registration of Family or Business Trusts, whereby one can ensure that your assets are protected and to the benefit of your loved ones.

CONVEYANCING:

As conveyancers, our offices attend to all our client's needs in respect of the sale and purchase of immovable property, from the drafting of sale agreements or the reviewing of offers to purchase, to the registration of the property into the Purchaser's name at the Deeds office.

OUR SERVICES

NOTARIAL WORK:

The services of a Notary is required in the event of you having to conclude a very important document, or should the recipient of the document require you to give proof of the validity thereof.

Examples hereof would be where a person wants to get married and require an Ante-Nuptial contract to be registered in order to regulate his/her marriage regime or in the event of a client wanting to go abroad and such a country require duly authenticated supporting documents required in the application process.

As Notaries, we assist our clients with these notarial services which includes the drafting and registration of Ante-Nuptial contracts and the Authentication of important documents, by way of an Apostille.
